SCIENCE & CREATIVITY

ABOUT

I'm Simon, a multi-award winning product designer based in New York. During my career I've had the privilege of creating experiences for a diverse range of clients including the New York Times and Google. In my role as a product leader I've helped scale large teams at Facebook and nurtured startups like Highfive and WeTransfer.

PROFICIENCY

Leadership, Strategy, Prototyping, Product Design, IA/UX/UI, Motion Design, Illustration, Iconography, Front-end Development
